

Benchmark your program against peer organizations to identify success, growth opportunities, and best practices

THE EVIDENCE NETWORK'S IMPACT BENCHMARKING VISUALIZER PROVIDES:

Standardized impact data from more than 70 impact evaluations, based on **firm level data from more than 7,000 companies**

Ability to select **proximity measures** - drill down into a subset of similar organizations for a **direct comparison to your closest peers**

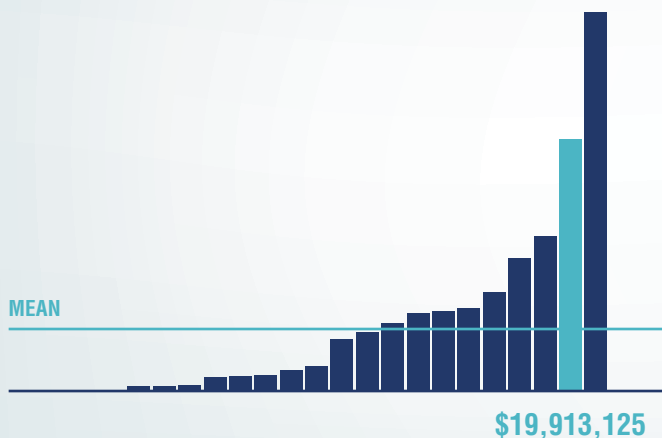

Benchmarking capabilities never before available – **compare your performance** against the performance of **business accelerators and incubators from around the world**

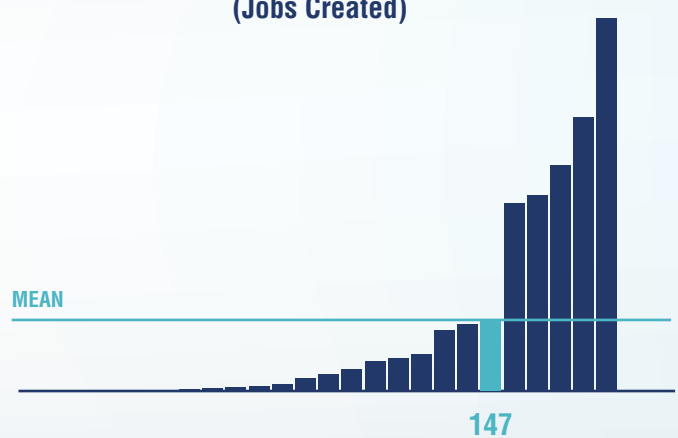

COMMUNICATE YOUR STRENGTHS TO STAKEHOLDERS, SET REALISTIC AND DEFENSIBLE TARGETS, AND INCREASE YOUR COMPETITIVE ADVANTAGE FOR ADDITIONAL INVESTMENTS

HOW DO YOU MEASURE UP AGAINST YOUR PEERS?

Aggregate Impact on Revenues

Aggregate Impact on Employment (Jobs Created)
